# Parts of Speech (Set 2)

Use these 32 multiple choice task cards to practice parts of speech. The following parts of speech are addressed in this set:

noun	plural noun	proper noun	pronoun
verb	adverb	adjective	

A student answer sheet for students to record their answers is included along with an answer key for self-checking. There is also a Challenge Card that can be used in conjunction with any other card to extend the activity. These task cards are perfect for test prep and will work well at literacy centers, stations, for partner work, or with the whole class using a game like Scoot.

These cards will look best in color, but will also print out fine in grayscale. Simply print and cut along the guidelines. Laminate and use them again and again. Alternatively, you could print on cardstock. It works well to keep them in a baggie. Another option is to hole-punch a corner of each card and put them all on a ring.

Aligned with Common Core Standard L.1:

Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.

Another set of Parts of Speech Task Cards is also available. That set has a different and slightly less challenging format. Please visit the Task Card Section of my TpT Store to find this set <http://bit.ly/sZYtu1>
