Quotation Marks Task Cards

Use these 32 multiple choice task cards to help reinforce quotation mark rules and to practice proofreading. These cards are meant to be used as practice after students have been taught basic quotation rules. The multiple choice format makes these cards ideal for test prep. A student answer sheet and answer key is also included so that students can check their work. These task will work well for at an ELA center, for stations, for partner work, or with the whole class using a game like Scoot.

These cards will look best in color, but will also print out fine in grayscale. Simply print and cut along the dotted guidelines. Laminate and use them again and again. Alternatively, you could print on cardstock. It works well to keep them in a baggie. Another option is to hole-punch a corner of each card and put them all on a ring.

This resource addresses the following Common Core Standards:

- L.2.2. Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing.
- L.3.2. Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing.
 - Use commas and quotation marks in dialogue.

This is the basic set. A more challenging set is available in my [Teachers Pay Teachers Store](#).

Note: The quotation rules from [GrammarBook.com](#) were used to make these cards.
