Synonym Task Cards Set 1

Use these 32 multiple choice task cards to reinforce synonyms. A student answer sheet for students to record their answers is included along with an answer key for self-checking. There is also a Challenge Card that can be used in conjunction with any other card to extend the activity. These task cards are perfect for test prep and will work well at literacy centers, stations, for partner work, or with the whole class using a game like Scoot.

These cards will look best in color, but will also print out fine in grayscale. Simply print and cut along the guidelines. Laminate and use them again and again. Alternatively, you could print on cardstock. It works well to keep them in a baggie. Another option is to hole-punch a corner of each card and put them all on a ring.

Aligned with Common Core Standard L.5 for grades 2 and 3 (although it should be noted that synonyms do not specifically show up until grade 4).

Demonstrate understanding of figurative language, word relationships, and nuances in word meanings.

Yes, there is a Set 1 and a Set 3, which can be bought separately or bundled together with this set. In addition, Synonym Task Card Sets are also available for grades 2-3. Please visit the Task Card Section of my TpT Store to find these sets:
