SEQUENCING PRACTICE ACTIVITIES

SEQUENCING 8

The Jones family went to the beach. First, they found a spot to put their towels and beach bags. Then they all went for a swim in the ocean. After drying off, they ate a delicious picnic lunch. Then the kids built a giant sandcastle. Finally, they all went for a walk and collected shells to bring home.

What just happened?

A. built a sandcastle

SEQUENCING 10

At the beginning of the story, Jake and Andy go on a hike in the woods. In the middle of the story, Jake falls and breaks his leg, so Andy must go find help. At the end of the story, an emergency team carries Jake out of the woods on a stretcher and to the ambulance that takes him to the hospital.

What is the last thing that happens in the story?

SEQUENCING

elia went outside to play in the snow. They made a first. After that, they had a snowball fight with some e street. Then Dad came outside, and they went to he big hill. When they got home, they chocolate.

drank hot chocolate → made a snowman → had a snowball fight

D. swam in the ocean

SEQUENCING 1

Yesterday, my class went on a field trip to the zoo. We went to the monkey cages first. Then we watched an elephant eating its lunch. After that, we ate our own lunches in the picnic area. After lunch, we saw the giraffes and the lions. At the end of the day, we stopped to look at the bears on our way back to the bus.

What did the class see right before they ate lunch?

SEQUENCING 2

Yesterday, my class went on a field trip to the zoo. We went to the monkey cages first. Then we watched an elephant eating its lunch. After that, we ate our own lunches in the picnic area. After lunch, we saw the giraffes and the lions. At the end of the day, we stopped to look at the bears on our way back to the bus.

What did the class do just after seeing the giraffes and the lions?

SEQUENCING 3

Jill makes a smoothie for breakfast every morning. First, she puts some milk into the blender. Next, she adds a banana and some frozen berries. Then she turns on the blender and whirs it all up until it is smooth. After that, she pours it into a big cup. After she drinks her smoothie, Jill puts her cup into the dishwasher.

Does Jill add the banana, the milk, or the berries first?

SEQUENCING 4

Jill makes a smoothie for breakfast every morning. First, she puts some milk into the blender. Next, she adds a banana and some frozen berries. Then she turns on the blender and whirs it all up until it is smooth. After that, she pours it into a big cup. After she drinks her smoothie, Jill puts her cup into the dishwasher.

What does Jill do after she drinks her smoothie?

SEQUENCING 29

Monique always does her homework before dinner. After dinner, she helps her dad with the dishes. Then she practices piano for half an hour. After that, she usually watches some TV with her brother. Then it is time for bed. Monique reads in bed for half an hour before she turns off the light and goes to sleep.

What does Monique do right after dinner?

SEQUENCING 30

The image displays a collection of six overlapping worksheet cards, each designed for a sequencing exercise. The cards are arranged in a way that shows different parts of the exercises, with some cards partially obscured by others. Each card has a title, a paragraph of text, a set of three donut or ice cream cone illustrations, and a list of options to be sequenced.

Card 1 (Top Left): Titled "SEQUENCING 13", it describes Misty feeling unwell in the morning. The text says: "Misty did not feel well when she woke up this morning. The first thing Mom did was to feel Misty's forehead. She felt hot, so Mom got out the thermometer and took Misty's temperature. '103 degrees!' exclaimed Mom. 'No school for you today.' Then she went to the kitchen to get Misty a cup of juice." Below the text are three donut illustrations and a list of options: A. Mom said, B. Mom took, C. Mom felt, D. Mom got.

Card 2 (Top Right): Titled "SEQUENCING 14", it continues the story of Misty. The text says: "Misty did not feel well when she woke up this morning. The first thing Mom did was to feel Misty's forehead. She felt hot, so Mom got out the thermometer and took Misty's temperature. '103 degrees!' exclaimed Mom. 'No school for you today.' Then she went to the kitchen to get Misty a cup of juice." Below the text are three donut illustrations and a list of options: A. Before, B. After, C. Then, D. So.

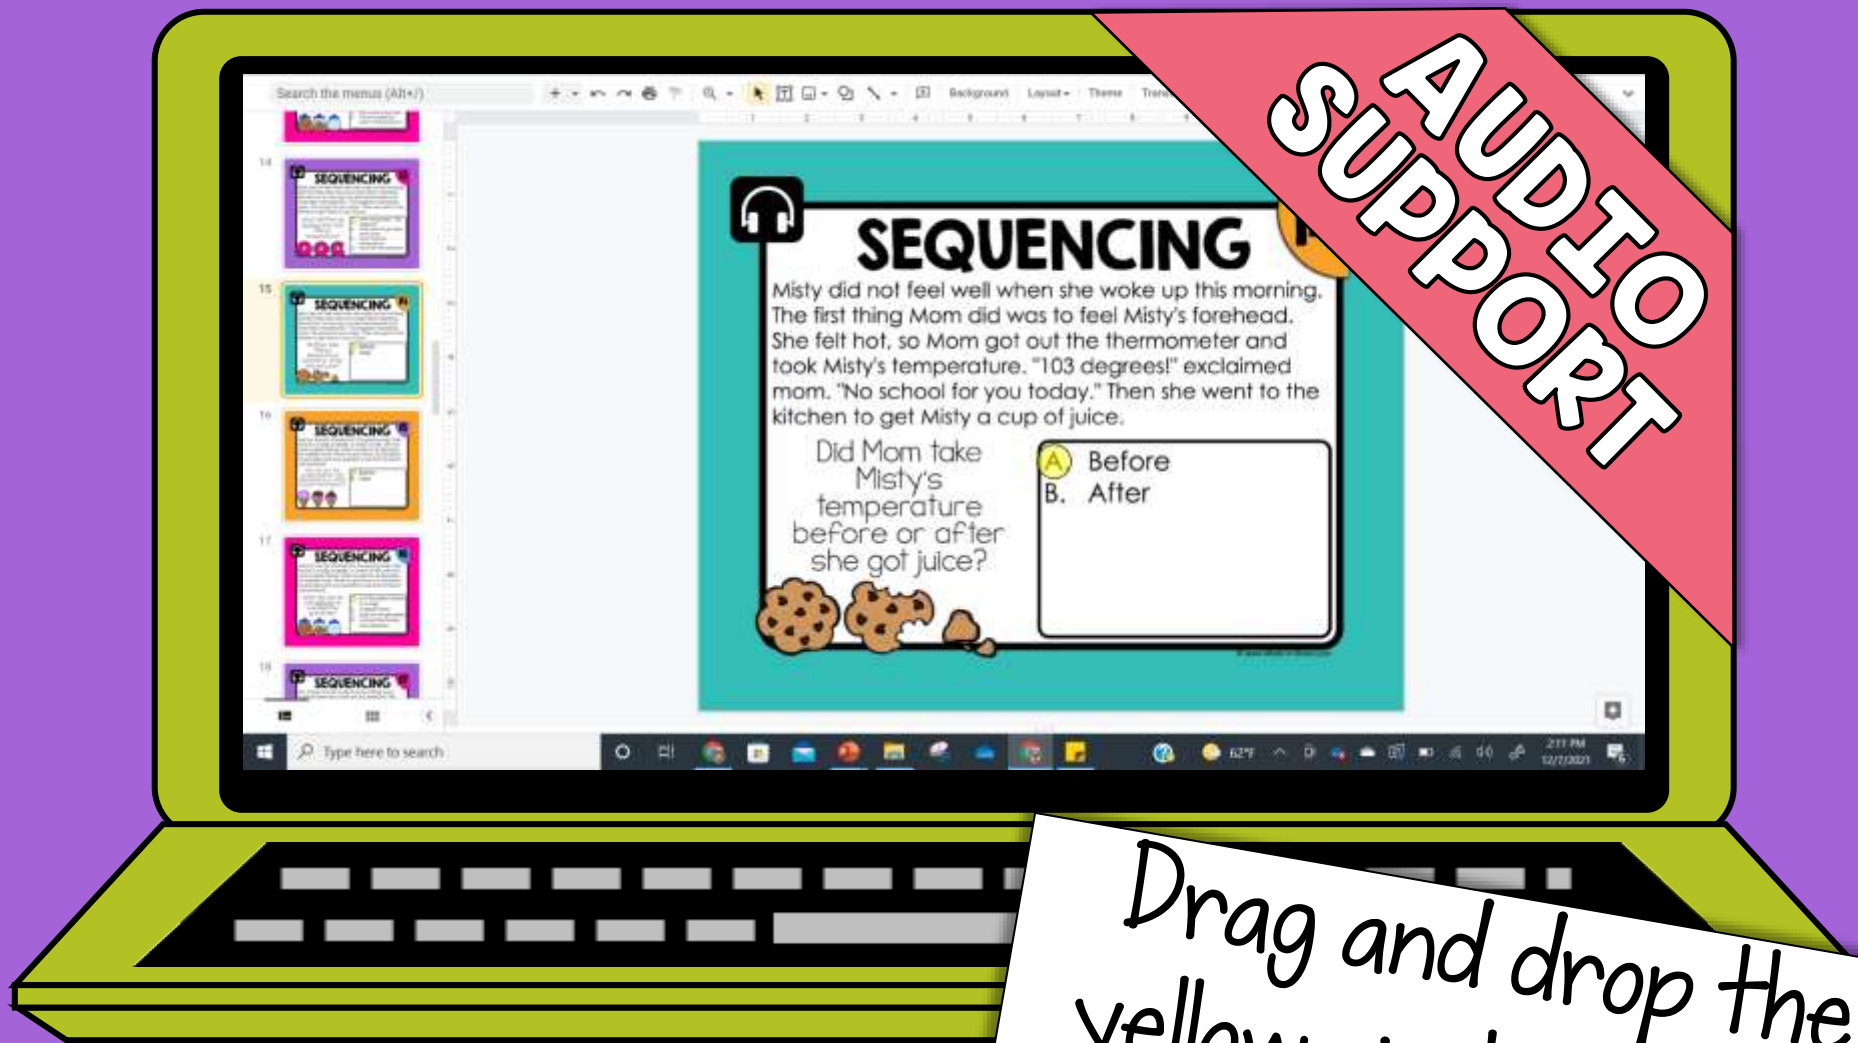

Card 3 (Middle Left): Titled "SEQUENCING 15", it describes Joe putting bread in a bag. The text says: "Joe put the loaf of bread into the bag. Then he put in a bag of apples, a carton of milk, and two cans of green beans. After he paid for his groceries, he walked home. When he got home, he unloaded his groceries and was surprised to see that his bread was squished!" Below the text are three ice cream cone illustrations and a list of options: A. Then, B. After, C. So, D. When.

Card 4 (Middle Right): Titled "SEQUENCING 16", it continues the story of Joe. The text says: "Joe put the loaf of bread into the bag. Then he put in a bag of apples, a carton of milk, and two cans of green beans. After he paid for his groceries, he walked home. When he got home, he unloaded his groceries and was surprised to see that his bread was squished!" Below the text are three ice cream cone illustrations and a list of options: A. Then, B. After, C. So, D. When.

Card 5 (Bottom Left): Titled "SEQUENCING 17", it describes Joe putting bread in a bag. The text says: "Joe put the loaf of bread into the bag. Then he put in a bag of apples, a carton of milk, and two cans of green beans. After he paid for his groceries, he walked home. When he got home, he unloaded his groceries and was surprised to see that his bread was squished!" Below the text are three ice cream cone illustrations and a list of options: A. Then, B. After, C. So, D. When.

Card 6 (Bottom Right): Titled "SEQUENCING 18", it continues the story of Joe. The text says: "Joe put the loaf of bread into the bag. Then he put in a bag of apples, a carton of milk, and two cans of green beans. After he paid for his groceries, he walked home. When he got home, he unloaded his groceries and was surprised to see that his bread was squished!" Below the text are three ice cream cone illustrations and a list of options: A. Then, B. After, C. So, D. When.
