Just in Case
Case Nook

The complex block is a promotional graphic for a digital bundle. It features a red header with the text '4th - 5th GRADE'. Below this is a row of six scalloped-edged tabs in blue, teal, green, yellow, orange, and red, each containing a letter of the word 'BUNDLE'. Underneath the tabs is a 3x4 grid of 12 laptop icons, each displaying a different digital activity. Below the grid is the word 'DECIMALS' in large, bold, white letters with a black outline. At the bottom left, there is a red circular badge with the text 'GOOGLE SLIDES & BOOM!' in white. To the right of this badge, the text '12 Fun & Engaging — Digital — Activities' is written in black. On the far right is a circular logo for 'Just in Case Case Nook' featuring a cartoon girl's face.

What teachers are saying:

Students loved the theme and were engaged! We always use the term "ghost zero" and this was perfect!
